Regler för Payment Options (auto cancel)

När använder ni funktionen:

- När kund betalar till er i butik och ni bankar pengarna till oss.

Vad gäller:

- Kan användas till och med 10 dagar innan avresa. Är det närmare än så kan man inte trycka på knappen.
- När du aviserar Deposit eller Fully Paid stängs auto cancel av och du garanterar minimum den summan som står där.
- Är det 9 dagar eller mindre till avresa så måste betalning göras på www.apollo.se > Betalning
- Har du bekräftat Deposit eller Fully Paid skapas en notering automatiskt på bokningen. Så du behöver inte meddela oss när du tagit betalt, det kan vi se på bokningen.

Vi rekommenderar alltid att direktbetalning görs på apollo.se/min resa/betalning. Pengarna måste fysiskt ligga på bokningen för att en biljett ska kunna genereras och skickas ut till kund.

Istället för en hotellista med filtering till vänster kommer man in i denna veckovy. Här ser man billigaste avresedag, och priser på olika hotellkategorier för den avgången.

Välj *Show all* för att se alla alternativ på det resmålet detta datum eller klicka på någon av de blå boxarna för att se ex. 3-soliga eller 4-soliga hotell på detta resmål.

The screenshot displays the Apollo booking interface. At the top, a navigation bar shows the steps: Home, Search, Accommodation, Extras, Summary, and Confirm. Below this, a breadcrumb trail reads: Home / Package Search / Routes.

A date selection calendar is shown, with dates from Wednesday, June 3rd to Tuesday, June 9th. Each date box indicates the number of destinations and the starting price in SEK. Saturday, June 6th is highlighted with a red circle and labeled '5 Destinations from SEK 3302'.

Below the calendar, a section titled '7 Nights' leads to a table of hotel options. The table has columns for Route, Room Only Self Catering, Full Board Incl. Drinks 1 Star & 2 Star, 3 Star, 4 Star, and 5 Star. The first row is for the route 'Stockholm Arlanda - Chania International Airport', which is circled in red. A link '[Show all (104 Packages)]' is visible next to the route name. The table lists prices and the number of packages available for each category.
